- **Unique Learning System** - Unique Learning System® is an award-winning, online, standards-based set of interactive tools specifically designed for students with special needs to access the general curriculum. Used daily in school districts and classrooms across the country, Unique Learning System provides preschool through transition students with rigorous, standards-based materials specifically designed to meet their instructional needs.
- **News-2-You** - News-2-You® has been connecting students to the world through current events for over 17 years. Working closely with the Associated Press (AP), News-2-You topics are timely, contemporary and applicable in classrooms nationwide. With News-2You, students engage in rich literacy and language instruction while learning about diverse current event topics. Lessons and experiences are extended through interactive symbol-supported articles, activities, games, guided practice opportunities and flexible means of expressing what they have learned.
- **SymbolStix PRIME** - SymbolStix PRIME is a web-based, symbol search engine that gives you access to the most complete and current symbol set available anywhere. With nearly 30,000 symbols in the library, create symbol-based language and learning materials for printing or speaking aloud online. Use the unprecedented changeable skin tone feature to create representations that reflect multicultural classrooms and users.
- **L3 Skills** - is an online resource that promotes lifelong learning through age-appropriate games and activities, creating opportunities for individuals with special needs to master educational concepts and develop life-building skills. Through engaging graphics and relevant content, L3 Skills captures the imagination, builds confidence through achievement, and prepares them for higher levels of success through consistent reinforcement of targeted skills.
